## July 2025 Outreach Highlights: Kasoa & Waija

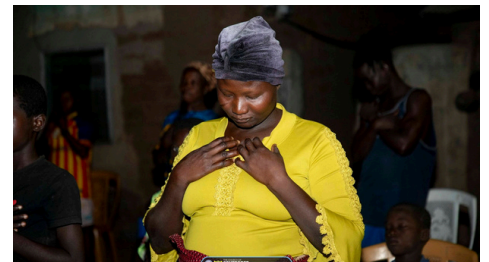

Kasoa happens to be one of the fastest-growing cities in West Africa.

In Kasoa, a vibrant community gathered as we shared the Word of God and connected with people on a deeper level. Through heartfelt discussions, prayers, and screenings of powerful films, we saw a total of **126 souls**; **87 adults** and **39 children** made the decision to surrender their lives to Christ.

It was a time of spiritual transformation, where lives were touched, and hearts were healed. We are filled with joy to know that these individuals are now on a path to spiritual growth.

### AMA'S TESTIMONY

### A Moment of Transformation

#### A Moment of Transformation

During the Waija outreach, a woman named Ama shared a powerful testimony that moved everyone. Ama, a mother of three, had been struggling with severe anxiety and fear, which had impacted her relationship with her family. After attending the outreach and hearing the message of peace and hope in Christ, she felt a profound sense of calm. She testified that for the first time in years, she felt free from the weight of fear and was able to embrace her children with love and understanding. Ama's transformation was a powerful reminder of the peace that only Christ can bring to our lives.

### A Grateful Thank You

None of this would have been possible without the tireless efforts of all those involved. Our ministry partners and the local community played vital roles in making this event a success. We are deeply thankful for their dedication and partnership.

As we reflect on the lives changed and the souls saved, we are reminded of the importance of continuing this mission.

### Moving Forward Together

This event is just the beginning, and we look forward to more opportunities to engage, uplift, and spread the message of faith to even more communities. As we continue to work together.

Thank you for your ongoing support and prayers. Together, we can make a lasting difference in the lives of those who need it most.

*Blessings,*

## Waija Outreach

In Waija, the outreach was equally impactful. Over the course of the event, we saw **32 souls** come to Christ, including **17 adults** and **15 children**. The community embraced the gospel, and many responded positively to the message of salvation. The presence of God was undeniably felt, and we celebrate the new believers who are now part of the family of Christ.
