Dear Ministry Partner

Impactful Outreach at Old Fadama - Accra

We are thrilled to share the remarkable outcomes of my recent outreach at Old Fadama, a community where we have witnessed the transformative power of faith. Over the course of two powerful days, we were able to reach hearts and change lives in a truly significant way.

76 Souls Won: A Testament to God's Power

A total of **76 souls** were won to Christ during our time at Old Fadama. The outreach was incredibly fruitful, with **52 adults** and **24 children** coming forward to accept Christ as their Savior.

This powerful two-day outreach demonstrated the collective impact of our dedicated efforts. It was heartening to witness the community's open hearts and willingness to embrace the message of hope. Through engaging conversations, prayers, and communal activities, many experienced a spiritual awakening that will have a lasting impact.

A Heartwarming Story of Transformation

One of the most touching moments during my outreach came when we encountered two young boys who were smoking in the community. As they sat in the corner, puffing away, they were drawn to a film that was being shown as part of the event. It wasn't just a film but a message of hope, redemption, and the possibility of change.

As they watched the film, something in them shifted. Within five minutes of viewing the film, the boys stopped smoking, and in a powerful moment of realization, they placed the substance on the ground. The change was immediate. The Holy Spirit had clearly begun working in their hearts.

In an unexpected but beautiful turn of events, the boys, moved by the message they had just witnessed, came forward to surrender their lives to Christ. It was a truly inspiring moment, one that spoke volumes about the power of God to transform lives in the blink of an eye.
