A Moment of Transformation - Living Bread and Resurrection Power Ministry Leaders' Training

In January 2026, the Living Bread and Resurrection Power Ministry took a bold step toward strengthening its leadership and vision for high performance and church growth. A transformative training session was held for church leaders in the Accra West and Accra East zones, where 411 leaders gathered for an empowering experience aimed at aligning the church's leadership with its core theme of high performance and growth.

The training brought together 271 church leaders from the Accra West zone and 140 leaders from the Accra East zone, marking a significant moment for the ministry's future. The program, designed to equip church leaders with essential tools and knowledge for both spiritual and practical leadership, proved to be a powerful experience for all participants. Attendees engaged in deep discussions, practical exercises, and reflection sessions, which all centered around building a thriving church community that embodies high performance.

EMPOWERING LEADERSHIP FOR A GROWING CHURCH

Archbishop Akwasi Asare Bediako, General Overseer of the Living Bread and Resurrection Power Ministry, addressed the training participants, emphasising the importance of empowering and aligning church leadership for growth and high performance. He shared a personal testimony about the picture booklet used in the training, which he had utilised over 30 years ago to inspire prominent pastors in the country. His story highlighted the long-lasting impact of continuous learning and leadership development.

The training not only equipped the leaders with essential skills but also reinforced their commitment to the church's mission of faith and community building. This initiative marks another step in the church's journey toward excellence and growth, with its leaders now ready to drive transformation and empowerment within the ministry.

GROUP DISCUSSION ON HOW TO EFFECTIVELY SHARE THE GOSPEL

THE IMPACT OF THE FILM OUTREACH IN ACHIMOTA

We began the year with film outreaches in the Achimota area, which have been making waves in 2026, with an inspiring series of evangelistic efforts bringing the message of Christ to diverse communities across the region.

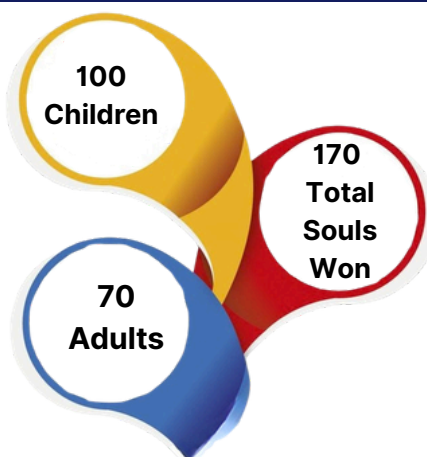

We kicked off on January 28th in Doblo Gono; the initiative quickly gained momentum, reaching various districts, including Abehenease, Sarpieman, Mayera, Pokuase, Ofankor, and Aduman. Each event offered an opportunity for spiritual connection and growth, touching hearts across different age groups, from children to adults.

The outreach sessions were a vibrant blend of fellowship, reflection, and community engagement. In each district, the film evangelism provided a unique setting for people to gather, listen to the Word, and experience the transformative power of faith. From the bustling areas of Pokuase to the quieter streets of Aduman, the programme has been well-received, spreading hope and inspiration wherever it goes.

This outreach is more than just an event; it's part of our ongoing commitment to spreading the Gospel and nurturing spiritual growth in the Greater Accra region. The movies have become a symbol of accessibility and inclusivity, bringing the church directly to the communities in need of spiritual support.

With the outreach continuing into the year, Godfred remains steadfast in his mission, uniting people in faith and fostering a stronger, more connected community.
