KIBI OUTREACH – SIX DAYS OF SALVATION

In a powerful six-day outreach in the heart of Kibi, a remarkable transformation took place across several locations, with a total of 218 souls won for Christ. The outreach spanned across diverse communities, including Kibi, Adukrom, Pano, Akwadum, Ahwiniase, Apapam, and Asikam New Town.

The presence of the team in these communities brought hope and encouragement, as many individuals found Christ and embraced His message of salvation. The joy of seeing lives turned around and hearts opened to the Gospel was truly inspiring. In each of these towns, people responded to the message with great enthusiasm, showing that God's love is touching communities everywhere, regardless of their circumstances.

As we reflect on the impact of this outreach, it's important to acknowledge the power of community and unity in Christ, as these areas were filled with individuals who sought spiritual transformation. We thank God for the harvest and for those who worked tirelessly to spread His word. As we continue to see such powerful testimonies, we are reminded of the ongoing mission to reach and save those who need Christ most.

A TESTIMONY OF FAITH

Among the many stories of transformation, we want to share a particularly touching testimony that speaks volumes about God's work in the hearts of the people we encountered. A young Muslim girl, initially filled with doubts and questions about Jesus, had the opportunity to hear the Gospel during our outreach in one of the communities. She decided to give her life to Christ, and her decision was a powerful moment in the midst of our work.

What is even more remarkable is that after she accepted Jesus, she felt a deep sense of conviction and purpose and began to follow us wherever we went. She joined us in every community we visited, eager to learn more about her new faith and to share it with others. Her courage to publicly follow Christ, especially in a Muslim-dominated region, is a beautiful reminder of how God moves in the most unexpected ways.

TAMALE MISSIONS OUTREACH

We are excited to share with you the remarkable progress of the recent outreach in the Northern Region of Ghana. With God's grace, we were able to visit six predominantly Muslim communities, reaching out to those who have yet to know the love and truth of Jesus Christ. We are humbled to report that, through His power, a total of **1,144** souls were won to Christ!

The communities we visited were: Nantomg, Sevelugu, Kanvile, Diare, Sagnarigu and Damango.

These areas are known for their strong Muslim presence, yet we witnessed the incredible transformative power of the Gospel in breaking through hearts and minds.
